To Our Valued Customer

The Victorian State Government has increased the landfill levy as documented on the Victorian EPA website, please see link below:-

<https://www.epa.vic.gov.au/business-and-industry/guidelines/landfills-guidance/landfill-and-prescribed-waste-levies#Rates>

In line with the increase in costs, Sims Metal Management will be increasing the Landfill Levy charges to \$17.80 per tonne on all shredable metal purchases from 1st July 2014.

Kind Regards,

John Pinning
